Dear Premier,

Today, on International Holocaust Remembrance Day, I am announcing my desire for Ontario to recognize the memory of those killed in the Holocaust by constructing a Holocaust Memorial on the grounds of the Legislature. A memorial will not only serve as a reminder that we must always confront hate and antisemitism, but also as a tool for educating future generations.

My team intends to table a motion when the legislature returns. I will be asking my House Leader to discuss with the Government House Leader, as well as representatives of the Liberal and Green parties, how all parties can support this goal.

Regards,
